“ I am so sorry for your loss. I didn't know your sister but I do know that GOD has plans for her in Heaven. Our time on Earth is too short so just try to count all your Blessings each day we are given to be here. So sorry we we out of town but you know Joel & I are here if you need us. I called City Hall Friday Morning (from the beach) to let them know of your sad news. My daughter Kim at Vol State Bank texted me early Friday morning. I didn't know this was Stacy's Mom- - Kim & Stacy are friends for yrs. Take Care & just remember each day is a gift.
