“ please accept my warm regards. I too know the pain of losing someone you love. May it help you to know that the hearts of others are deeply touched by your loss. Although our hearts ache, we can find comfort in the wonderful promises made by Almighty God. Notice how he feels about death and his concern for us. (please read Isaiah 25:8)

“ Candance, you and your family are in our thoughts and prayers. I know how much you loved your Daddy and it will be hard for you. Your Faith in God will get you through. You and Donnie are so good together and he will be there to walk each step with you. Give your Mom our love and your sisters. You made a lot of wonderful memories with you Dad, and they are the things you will remember about him. And also remember, he is healed, and no longer suffering. We love you. Carolyn and Jim
