“ I meant George about 13 years ago when he was the maintenance man for Gesa Credit Union, in Washington State. Everyone loved George. He knew everyone by their first name. He could always tell when the food was out in a department and we always welcomed him. He had the best stories to tell and of course jokes. You would look forward to talking to George. He was kind, and always very helpful. I was so sad to see him leave Gesa to come back to his hometown. Many people missed him terribly. My husband Craige always loved visiting with George when he would come to the credit union for a bank ATM job. My sincere condolences and prayers to Georges family. This man truly made a positive difference in many lives. He will be missed by many. RIP George. God bless.

“ Met you in the 4th grade at a very small school in Hallwood, Ca.  
You were a very kind kid that grew up to be a great adult.  
Never a bad word for anyone and willing to help.  
Your love of God showed through...  
Go Rest High on that mountain....
