“ *He was a wonderful human being and always had a smile. We shared a table on one of the Robt County Senior Citizen vacations and he made us laugh the entire time. A kindhearted gentleman. Condolences to his family. I know they will miss him forever. He is in God's hands now along with his dear wife.*

“ *I was so sad to learn of the passing of George. He was was one of the first to make me feel welcome and a part of Silver Sneakers at the Y.He was such fun; a cut-up and he loved to pick at you. He'd always say, here comes trouble. I have missed him in recent months as his health began to fail. His passing is a tremendous loss. Deepest sympathy to his loved ones. Carolyn*

“ *George as a good neighbor and friend for over 30 years. As my son was growing up and having friends over playing backyard football, George would let them use his backyard because of the slope in ours. If there was anything I needed he would help out. I was laid up from a illness for months one spring and George being George took care of mowing it. Over the years if there was anything he could do for me he would . Afer his wife , Sigrid, past away George was lost for a short while, but he continued to be great member of the community thru his helping neighbors, church, and Robertson County YMCA. Unfortunately the past few years took a toll on him but he always tried to find someway to help anyone who needed it. While we all will miss him I am glad he has to no longer suffer from his health issues and will be with our Lord and Sigrid in heaven.*

“ George was a man of a good sense of humor who his wife adored him. I will never forget Beth and George showing me how to correctly toss the bean bag towards the hole rather than in the air. He always great support and kind and of a good teacher. We had partners. Of which Beth was great. George was our favorite admirer and cheerleader.
