“ BG had a great friendly personality and a servant mindset always willing to go out of his way to help anyone. I will never forget BG volunteering and towing my broken down jet ski over 60 miles and calling everyone he knew trying to help me get it repaired during the Tennessee river 600. I will miss you my friend and the Tennessee river 600, at least for me will never be the same without you. RIP BG, may you walk eternally with God in his garden.

“ Oh how BG loved the water and jet skiing. Will never forget him driving the Big rig for us on Year #1 hauling our gear and then hauling skis from Chattanooga to Loudon because of the turbulent water in Chattanooga. Year #2 he had his own ski! We are so sorry Elaine, Len, and the rest of the family for your loss. He is skiing in that big pond in the sky with all who went before him. RIP Big George.heart Jimmy and Debi Winters

“ I have so many good memories of George I can't list them all. He was loved by our family. More like a brother than a brother in law. He will be missed so very much. Heaven got a new angel.
