“ On behalf of the West family, I want to send a heart felt thank you to everyone for taking time out of your busy schedules to visit... to give us your kind words, to give us your offers of support and assistance, and provide us with tons and tons of great food... It is all greatly appreciated and will forever be remembered.... More especially to me, on a personal note, I want to thank everyone who shared their memories of my Father with us and who told of us of things he did which we never knew... It only increased my adoration, love and respect for my Father which I thought was impossible... Again, thank you to everyone... Your kindness and support during these days has meant more to us than you will ever know and for that I am greatly appreciative.

“ A great man who loved to make kids smile, as "Cheer-Up" the Clown. I had the honor to clown around with cheer-up for many years as a member of the Sumner County SHRINE KLOWNS. For the past few years George was not able to dress out....BUT...he loved to talk about the old time clowning around and friendship that was made as part of the Shrine. The main thing that stands out was the love he had for his GOD and for Ann. And 'O Yes the love for Sea Food.....
