“ Roger,
 So sorry for your loss. We lost our mother a couple of years ago, so I am feeling for you. One thing everyone knows - your mother is at home with Jesus right now. I know Joy loved your mother. If you see her, tell her hello for me. I hope to see you again sometime. If it wasn't for this Covid thing, I would be there.
 Your friend,
 Herb Miller

“ I’ve never met someone so sweet and who loved her family as much as she did. She lived her life to the fullest and there’s no doubt in my mind that she is in Heaven celebrating her homecoming with Tania and the rest of her family. I love u grandmother and I’ll b down here helping take care of Trent Kathey and the rest of the family.

When “Jesus Loves the Little Children “ they should have added a line about Miss Ginnie. Her gift and calling was to be the first at every church she attended, to tell babies and toddlers about her Sweet Jesus. I have no idea how many children were held by her, from Bordeuex to California and back to Pleasant View. My children adored her and did not want to leave when their time came to move up to an older age group. Think of all the children she knew by name. Some who were in her class have grownup and handed their children to her and some even brought their grandchildren. There will never be another Miss Ginnie. She’s a legend at PVFBC and more. Thank you sweet friend for taking your calling so seriously. And thank you for loving our kids since they were each only four-days-old until this week. The love is not gone it is forever in our children’s heart.

*Thank you and love you,
Jennifer and Tommy Davidson*
