“ *Fiery Lily and Rose was purchased for the family of Glen Lee Roberts.*

“ *Glen and I were first cousins and I knew him as a little boy, a teen, and as an adult. I have many happy memories of our times together. Though we lived far apart most of our lives, we were always close in spirit. I loved his wife Donna and felt I knew their children through their conversations about them. These last few years, Glen and I have been blessed to have the opportunity to spend more time together through our family cousins' annual group meetings. I remember Glen as a hard worker who deserved his success in business. He was a kind and generous man who touched many lives. My deepest sympathy to his family. May your memories of him heal your hearts. Linda Swift Reeder.*
