“ *Glenda was my bus driver back in the mid to late 70's. She always had her music playing and we all loved her. Over the years life happened and I lost touch with her but I never forgot her. I will see her again one day! Thank you Jesus!* ”

“ I am so sad to hear this . Glenda was my children's bus driver for years and I'm so thankful for her I never had to worry one bit about them the whole time. She was a wonderful kind lady.

“ Aunt Bay was a very special lady. Along with her twin sister Little Woman she was always there for me with a smile, a laugh and helping hand when needed. Such a big heart. What a hardy laugh. And a precious smile. Bay was the anchor and matriarch of our extended family. The game of Rook will never be the same without her. I am thankful for the time that God allowed her to spend with us. She will sorely be missed.

“ I rode the bus back and forth to high school with Mrs.Binkley but she also drove my older brother and sister back and forth to school. She had a kind soul and a huge heart. I will never forget her and her sense of humor. Her name for me was always gorgeous. On the bus back and forth to school if we passed Ever Green cemetery and there was a funeral taking place she would turn the radio off which led to us being silent on the bus. And now to know she will be laid to rest there brings full circle.
