“ I love you, Tommy. Always have and will. Not a day goes by or will go by that I won't miss you and think about where you would be if you were here. I always think of you cleaning your truck or on the lake and just always so happy. You were the most wonderful person I have ever met. I know I will be with you again one day. It can't come soon enough. I love yew.

“ I only had the pleasure of meeting Tommy a couple of times; my brother Kenny worked with him at Tom Bannen for a little while but they were friends before that. Tommy was such a genuine, all around nice guy and seemed to care for everyone around him. He will be greatly missed. Prayers to the family. I know your heart is in pieces at this time..
