“ Loved Polly very much. Debbie and Lynn I am so sorry for your loss. I spent a lot of time with her in my teens, even went to visit her mother with her and Sue. I now live in AL so haven't seen her in a while but think of her often. My love and prayers to your family.

Polly and Pope were 2 of the sweetest people and I was blessed to have them as neighbors when I was growing up. Prayers for the family during this time of great sadness.

I didn't call or visit near as much as I should have but I thought of Aunt Polly and Uncle Pope often and at almost every family function a special memory/story was shared. I am lucky to have many memories to share to keep Aunt Polly's memory alive.
