“ *Greg was a great co-worker, friend and fantastic father. I had the privilege to work with Greg only for a year but I felt like I had known him for a very long time. We had many heart to heart conversations about so many topics including his faith, parents and his kids. His love for his kids was evident every day through the stories he told, whether it involved chickens, hunting or sports, there was no doubt he loved his children. Greg's intelligence and knowledge of technology was so impressive and useful to us at the City of Brentwood. I will continue to pray for his kids that they will be able to remember their Dad and all the good he did while he was here. Greg will be missed!*

“ Dear Greg, I always told you, you was my brother and I the sister you didn't have. I love you and miss you so. I love Larry, Joanne and your family so. I've known your family for 17 years. You were always the upmost sweetest, kindest, easiest going person I know. We worked so well together and more importantly you were and are family to me. I pray for strength for your family and kids that the Lord will give them thru this shocking time I know you are in heaven and I know your heart hurt, the Lord took that pain away, though your friends and family are left broken hearted and so very sad you will truly be missed and never 4 gotten and the only thing getting me thru this is I know I will see your smiles again and then we will have that lunch we talked about on Nov. 1st... thank God we talked that day thru txt but I could hear your voice who knew a week later you would be taken so suddenly. I love you Gregory..... May God. Help give your family peace and strong will thru this time. Until I see you again..... and I know we both would say Go Cowboys. In Christ Love, your aka sister, your friend Kelly
