“ Mrs. Fisher was always so kind and encouraging to me. As far back
as I can remember, she always had a smile and a kind word. Such
an elegant lady; she will be missed by the entire community.

“ Gwendolyn was always my ideal of the perfect homemaker. She
was an excellent cook, a gifted seamstress and her house always
looked like something out of "House Beautiful". I always was
envious and wished I could do half as much as she could in
providing a home for my family. I know she will be greatly missed.
