“ You could never find a person more ready to help than Harold. He will be missed. He loved taking trips and we went on lots of those with him and Wilma. He truly was a friend that was there every time we needed him. Will miss his humor. He was just a great guy and we loved him very much. He was as close to Gary as if he were his brother. They spent a lot of time together and always checked on each other when they were not feeling well.
