“ *To Sonny's Family:*

*We were friends of Sonny's for about the last 10-12 years. When we hadn't heard from him for the past month we got on Facebook and we were very shocked and so sorry to hear he had passed away. We lived in Lebanon, TN but moved to Bonita Springs, Florida in 2010. Sonny visited us in Lebanon and we kept in touch by e-mail. We went to Daytona in August of this year for a week and spent most of a day with him and Buddy and took him out to dinner and had a wonderful visit. We knew he had some medical problems but the last we had heard was that he had a successful surgery and was feeling so much better and felt like he was on the road to recovery.*

*We send you all our heartfelt sympathy and hope that your memories of Sonny will bring you comfort and peace. He always talked about all of you and was so very proud of his family. We hope Buddy and Miss Kitty have found a good home. I know they too will miss him terribly.*

*In Sympathy and Love,*
