“ *I want to offer my condolences to all of Hazel's family. My father was M.C. Mickle and his mother was Roxie Eula Albright, therefore Hazel and I were distant cousins. My mother and father moved from Montgomery county to Nashville between the time my brother was born September 1946 and the time I was born in October 1947. On Sunday afternoon's we would go back to visit relatives, my grandmother Lela Powell Knox, aunt Rosa Lee Knox, uncle WB Knox, uncle Virgil (Buck) Albright and wife aunt Frances (Cotton) Knox, . As we would travel on the Oak Plain Road Mama would always say that tree is where Hazel and I would play dolls. That is the reason I write this, Hazel and my mom were childhood friends and mom would talk about them at times. If an old friend died I would take Mom to the funeral home in Clarksville so that she could pay her respects. Many times she and Hazel would be at the funeral home at the same time and it was like they just picked up talking where they left off the last time they had seen each other. My Mom died in 2012, I express my deepest sympathy to all of Hazel's family on behalf of ours and my mother Lucy Marguerite Knox Mickle.

She is my longtime friend, Debbie Head's mother-in-law, and Debbie loved her and always spoke very highly of her. I'm glad Hazel lived such a long, useful life. She will be missed by many of her close friends and family. Pat Dillon*

“ *After I bought the old Ashland City Drycleaner Mrs Head had owned, we remodeled it and changed the name to Flagship Drycleaners. She was present on our grand opening and I must say there is nobody more precious, simply a delight to be around. Every now and then she would stop in to visit us through the years and every time she came it would brighten my day. God Bless her and the entire family, my prayers are with you. Gary Lee Reese sr*

“ Miss Hazel... a pillar of our community. An example for us to mentor ... being a Christian lady, mother, wife, grandmother and friend. When our son, Reece was in Iraq, she baked cookies for him and his fellow soldiers. He will never forget it nor will we. She was a special special lady... she will be missed.

“ Ms. Hazzle or Granny, as Pat would call her used to hustle Pat's neighbors in games Chinese Checkers. We all thought we would take it easy on her and she played us into losses almost every time she visited Pat. She was a precious soul and will be greatly missed.
