“ Me tommy was always good to me. I grew up close with chason and slept over a lot. My dad was a muscle car man as well so we always sat in the garage talking about the rod he had. He taught me things about motors and tire pressure etc. he even let me and chason borrow his camcorder to make our own jack A videos like we were so darn funny lol. His generous demeanor will never be forgotten. I hope he is up with my dad and another friend I just lost. Ms Tina I love u and the boys. Stay strong
