“ Grace was a wonderful friend and she will truly be missed. Sending Hugs and prayers to her family. As she would always tell me when i came to visit. Have a shot of tequila with me, and I did. I will always miss the conversations we had. If she wanted company she would call and tell me, come on out to visit. When I moved away, she would call and talk to me and we would catch up on our lives. Love you Grace and may you be held in the arms of God .
