“ Oh my where do I begin, I have spoke to her several times on the phone while she was in California, but I remember of her is how she always look so put together, with her hair in place, just like my Dad, Bud, and my grandmother, Bonnie, they always took pride in their appearance, and she always had a sweet voice and a kind word, Aunt Iris, love you bunches, I know she is smiling from heaven and enjoying reuniting with Daddy, Granny, and Pa Janie
