“ One of the Best Biddies a person could ask for, since 1982 we have worked on many a project together and talked over how to fit things around each other's homes. I sac called just about everyday to check in and see how I was and shoot the breeze and I am going to miss not only him but his calling. We had a lot of great times together talking about everything. This past Thursday I took Isaac for his cataract surgery down in Madison. We stopped at Cracker Barrel on the way home and had lunch, Isaac had a double order of dumplings and Hoe Cakes. I teased him that he inhaled them which we both laughed and picked at each other till we got back to Whitehaven. I forgot to take some cold IBC Root Beer with me For after surgery but promised to bring it the next time I came, he dearly loved an Ice Cold IBC and I will think of Isaac every time I drink one from now on. I am glad to have Thursday memory of our fun together.
