“ Dear Lyons Family,
Paul and I continue to hold you in our hearts and prayers. We can't feel what you are experiencing right now...having never lost a child. But we pray that our great God will affirm His love and care for each of you through the grief. And may He be able to use you to comfort others who have walked where you are now walking.
We love you! Philippians 1: 9 -11

“ I only hung out with Todd a few times, but he was a great guy. I am sorry for your loss.
God saw him getting tired, a cure not meant to be, so He put his arms around him, and whispered... "Come with Me"

“ I'm so sorry for your loss. Todd was my classmate at Queensbury Elementary over 30 years ago. Of course it was a large school, so he was in my class only twice.
But I have never forgotten him. Todd was the sort of person who inspires fond memories.
