“ *Losing someone special  
Is a terrible thing to bear.  
It's the kind of shock for which  
We simply never can prepare.  
One moment we are smiling  
And the next is filled with tears,  
And losing one we love does not  
Get easier with years.  
But please remember you have friends  
To help and ease your way  
Who share your loss and care for you  
Far more than words can say.*
