“ Me and jackie go way back. We grew up together. Her grandma and great aunt lived in the projects on south 8th street. I haven't talked to her in years. I got online to see if i could find her, and i found this instead. Im in total shock, i wanted to see and talk with her. To the family, she was the best friend a girl could have. I am so very sorry for your loss.

“ I am so sorry for your loss. Jackie will be truly missed. I first met Jackie when I started working for TennCare. When I was at DHS I used to talk to her from time to time on the phone, she was always helpful. Then I started working with her and saw firsthand her dedication and knowledge. She was a joy to be around. Her enthusiasm was contagious. We will greatly miss her.

“ I knew Jackie through working with her with DHS/DIDD and now with OIG. She was a tremendous help always and I loved the camaraderie that she infused- she instantly made me feel comfortable. There is such sorrow at her passing. She will be deeply missed by all who knew and loved her, but no doubt she will be welcomed with love going home.

“ Jackie was much more than my friend she loved me like a daughter. Jackie Lou was my work Mama. She took care of me at times when I could not take care of myself. She was my calming voice in times of distress. She brought me back to where I needed to be by one simple hug. I loved her and I will continue to love her. She will be forever missed. Jackie holds a very dear place in my heart.

Brandi, Nicole, and Dave I am praying for you all. Praying that you find comfort and peace in his time of sorrow. I love you all very much.

I will be missing you, until we meet again my friend

Love always and forever,

Baby Girl

“ *"I worked with Jackie at the State for seven or more years and although I didn't know her that well, I have never met a nicer lady. She was always helpful and very good at her job and always ready to go the extra mile to make sure that those in need were helped. I and all her co-workers will miss her greatly. My prayers go out to the Binkley family. We will miss you Jackie, you were a sweet wonderful person.*

“ So many years together....so many stories!! Jackie and I started with the State on the same day, 21 years ago, and were instantly friends. She was the most kind hearted, sweet, funny and caring person that I have ever met. No matter what was going on in her life, she ALWAYS found a way to make someone else smile. She was gifted in that way. I sure will miss her and this world will never be the same without her in it. I am so grateful that HE put her in my life so many years ago...she helped make me a better person.

All my love, sweet friend. Until we meet again.....

*Much love,

“ Jackie was such a special person. She always was so helpful with any problems I called her on. If it wasn't something she could help me with, she made sure she found the right department and person to get the problem fixed. She was always such a cheerful, upbeat person. You have my sincere sympathy. She will be truly missed and never ever forgotten. God be with you and give you comfort in this time of need.
