“ *Its been 10 long days since the good lord called you home. There's not a second of the day I'm not thinking of you and all the good times we've shared. I got to spend your last good day with you. You were singing ol' Conway and swinging yourself back and forth in the hammock. You couldn't see me but I was just sitting on the steps taking it in enjoying the much needed time with you one on one. R.I.P. Pawpaw* ❤️👍

“ Pawpaw, there are no words to explain how much we are going to miss you! Paislee, Tyler and Claire know that you are in heaven and that skinny Pawpaw isn't hurting anymore. They know that you will be watching iver them and helping them guide thru life. I hope you get to sing with Loretta Lynn up on that stage finally! I am praying so hard for everyone during this time.
