“ I am honored to have known and worked with Ray, but most of all to have been able to call him my friend. He was an great person. Always made me laugh and always lending a hand! He always reached out to me even after we no longer worked together just to check in on my family! He and Crystal and my family went on vacation together and had the best time. He had to drive the corvette he had just bought! It was such a fun experience! I will never forget the fun times, laughs, cries, and “teachable moments.” I will miss you always Ray!
