“ To the family my deepest condolences and prayers for you. Jacque has been a good friend and coworker for a long time. I will always remember that contagious laugh and crazy jokes, the funny ones and the not so funny, but even then his laughter would make me laugh. I will miss that friendship and hope that cherished memories will strengthen the family. Rest in peace my friend. George McCullough

“ *Jacque was one of my favorite co workers at Hoeganaes that I'll never forget. Even at the hardest times shared together at our place of work, Jacque was always the one I could count on to make me laugh and forget about the bad things, even if it was just for a moment. He had a spirit about him that shined bright. I still miss him answering the phone when I would call the Lab and he would answer. Jacque, you are a great man and thank you for being there and for being a friend!* ”

“ *Jacque was a beloved co-worker and friend for over 40 years. He took pride in his family, his service in the Navy, his friendships and his work. He loved to make us laugh, and he shared our sorrows. See you again someday, Jacque.* ”
