

Jacqueline Clougherty

August 13, 1961 - September 10, 2022

On Saturday, September 10, 2022, Jacqueline Renee Clougherty passed away at age 61.

The beloved mother and adored grandmother lived a wonderful life full of love, adventure, and friendship. She was a global marketing manager before retiring young to spend her life traveling and being with her family. From visiting Mt. Everest to relaxing on the beach in Florida, she led an extraordinary life. While some remember her as their crazy neighbor, we will remember her as our trusted advisor and crazy mother.

She is survived by her daughter, Rachel Elaine Bloom; son, Jason Allen Rodgers; and grandchildren, Connor, Gwen, and Liam Rodgers.

We love you, we miss you, and thank you for everything.

“ *Jacqueline was one in a million, without a doubt. She was my crazy neighbor first, but then became my dear, dear, crazy friend! There was never any question about how she felt about something. She spoke her mind. But she also was very transparent and honest about, what she considered her own shortcomings. She owned all of it. She loved her children and grandchildren fiercely, and was incredibly proud of them all. She could be outspoken, and you could mistakenly take her the wrong way. But her heart and intentions were always rooted in love and caring. I will miss her friendship, honesty, and early morning phone calls. She never could figure out that not everyone rises at the crack of dawn. I'm really going to miss her being in my life. Rest well, my friend.*

*Judy,
I feel the exact same as you. She started out as my crazy neighbor but became my crazy friend. I loved her to pieces and will miss her dearly. We could talk about anything. She loved my family and she loved hers fiercely. Rest In Peace in our Lord and Savior honey.
Your friend,
Michelle*
