“ Dear Sabina, Azad and Linda. I know that this will be reaching you a year late, but my most sincere condolences are with each of you and family. I so often think of you and wonder how you all are? No one here in North Dakota seemed how to be in touch with you or Nigar after leaving California. My prayers are with you in these sorrowful times. Sending love and hugs. Sincerely, Avalyn Stoltz Ennen.

“ It was an honor and a gift to work with Jamal. I was his Manager in produce at the turnip truck, he was one of my best guys and one of the hardest workers I've seen in a long time and also had such a great personality. I was blessed to spend the time I did with him. He will be truly missed by our team and all of us here at The Turnip Truck. I send love and prayers to his family and friends.

“ I work as a cashier @ Turnip Truck East and enjoyed chatting with Jamal. He was loved by everyone. He has just relaxed into his job in Produce and quickly showed promise as a future manager. We all were shocked and saddened by his untimely illness and death. May his many friends and family be surrounded with love and care. And may many cherished memories sustain and uplift you in the days, weeks, months, and Years ahead.

“ I went to high school and played football with Jamal. We used to hang out often at each other’s house. It seems like yesterday and at the same time, so long ago that we were just kids talking about working out or music. He was extremely loyal and funny, I can still hear his huge laugh. Jamal will always hold a special place in my heart. Praying for comfort to his family and friends.

“ I grew up with beck from about 10 to 26 yrs old. He always was the most positive and fun loving caring person even when he was sick at a young age: and he loved my mother! Got her a Mother’s Day gift idk 15 yrs back and she still has it. We worked together at el Chico serving together and always has a blast. We both had our ups and downs. Everyone makes mistakes in life myself included. He was the most athletic person I’ve ever known. I’ve never met anyone who was so committed to good health he ran to just be fit. Worked out for a solid two hours. Then ran home Eating six to eight boiled chick breast after. He helped me thru a lot of dark times in my life and I will never forget him or his sweet parents. Gone too soon my friend I can’t believe it. I hope my dad is up there greeting you catching up on lost time. He will be sorely missed by many Prayers to Mr Azad Linda kam and Scala. I Will never forget playing soccer with all of you and eating home made Iranian food called shifta I believe. I used to beg his dad to make it for me. Rest easy my friend. I won’t ever forget our friendship. Hopefully my dads got you a good aurturo Fuentes or a Nat Sherman cigar Love u my brother. So very much. Rest easy 💔😞
