“ *My condolences to family and friends. I worked with Jim at TVA Land Management Office in Athens, TN. He came back and was contracting. Really positive, nice person, kind and friendly. I understand he was still doing National Emergency Assistance work with FEMA, thru TVA retiree's association. He will be greatly missed.*

Jim was one of the kindest men on this planet. Very soft spoken and so much help to me in the early Athens TVA days. Loved telling stories and had no problem with laughing at himself. Fun guy. Tough time for Lynda and the family. So very sorry for the loss and sad days ahead...Steve Akers

“ Uncle Jim was one of the kindest and most gentle men I ever knew. I will never forget my summer with him and Aunt Lynda in Athens. They treated me like their own. Hold the gate, Uncle, we are right behind you .
