“ *Very sorry to hear of Mr. Conner's passing. What a wonderful and sweet man. I always loved talking to him when he was tending to the family cemetery - even into his 90's! Loved hearing about the history of property - he even showed me where the Indians were buried! Just a joy to talk to. He'll be at rest along with his wife and son and what a beautiful place to rest.....*

“ *Many Good Memories with both Bobbie & Jim while camping with Music City & Vol State Winnies W.I.T. They both were great in skits the club would have to entertain the audience. Jim would always show up on St. Patrick Day as a Leprechaun, with green hair, (of course that was on the outer edge) a real crowd pleaser. We call those the good days. He is now with his true love and all the members who have gone before him. There was one member he always said she was "Older than Dirt" Can hear them both taking up where they left off. Our condolence to his family and the good times we spent with them. Thoughts and prayers at this sad time. God Bless.*
