“ I am so sorry to hear that Friend has passed. He has been a wonderful friend to me and so many more for many many years. He will forever be free of pain and flying high with the Angel's. You are and always will. E my Buddy and I'll as always be your Baby Girl. It means alot to me that he called me personally to ask how I was when the conversation should've been about him instead. I love you Butch and I'll see you later. This is not goodbye. 🙏❤️
