“ SHS Class 1964. Coach Suter was my basketball coach. He always set a good example for us. That's the most important thing a teacher can do.

“ I am saddened to learn of the passing of Mr. Suter, one of my favorite teachers at Springfield High School; he was also my basketball coach. I want to express my condolences to all his family. Mr. Suter was such a considerate teacher who always conducted an interesting class lesson and instilled in the students a desire to learn. He always managed to capture the attention of all his students with his instructional methods and his sense of humor. My guess is that he had very few failures.
