“ To the Family and Friends of Jim Meadows, I was very sorry to learn today that Jim had passed away! He will be missed so very much! I met Jim when I first started working at Gray Line of Tennessee in Nashville almost four years ago. I work there in the gift shop and always admired his extraordinarily easy-going and friendly manner with the tour guests when he would come in to pick them up for their tours. He had such a gracious knack for making everyone feel so welcome... May God be with you all and comfort you at this difficult time! Take care! Cheryl Pinckney, Nashville.
