“*Mrs. Morris. As I read the obituary for Mr. Morris, I was impressed by the 60 years of marriage that you and he spent together. That is truly a wonderful accomplishment and I'm sure you have many fond memories to reflect back on. Never-the-less, losing such a precious loved one causes us much pain. How thankful we are that our grand Creator, plans to restore his original purpose and make it possible for all mankind (including loved ones we have lost in death) to live forever under perfect conditions. (Matthew 6:10; Job 14:14 & 15). Please accept our condolences as you deal with the loss of Mr. Morris and contemplate the hope of seeing him once again.*
