“ We have so many memories with you it's hard to pick one, we have had our good and our bad like any family but my favorite memory is when we went ro Memphis and you were terrified I was gonna drop Landis in the river, he was just a few months old. I can still feel you pull me back from railing and make me sit down with the baby. Thank you for the laughs we did get. Rest easy now and keep your eye on us to protect us. Love you
