“ Our deepest sympathies on the loss of your father/grandfather/family member. On the day we moved into our house J.D. came over to introduce himself and welcome us to the neighborhood. He told us they were the kind of neighbors who wouldn't get into our business but if we ever needed anything he was more than happy to help. And that was exactly the kind of neighbors we were to each other for 25 years. He was always eager to have neighborly chats whenever our paths crossed. His passing is definitely going to leave a void and he will be missed. We know he had several loved ones who were waiting to greet him on his arrival to Heaven. Time for his well-deserved rest. RIP J.D.
