“ You were the first thing on my mind when I opened my eyes at 5:30 this morning. I can't believe It's been 7 years. You were my sister from another mother. If you were here, we would be celebrating your (&Keith's) birthday with Mexican food and a margarita this evening. I treasure all the fun memories. I love you and will see you again some sweet day. Always keeping your two beautiful girls and grandbabies in my prayers. 🙏 Miss you always. Rhonda

“ Pam and Jessica, so sorry for your loss. I have so many wonderful memories of Jane. The time we went to Berlin to the Thrift Store and we were trying to get into the wrong car. We laughed so hard until tears ran down our face. I will miss her. RIP my friend. Love to you both and the kids. Linda Robinson
