“ There will NEVER be another Jane! She was our neighbor for 40+ years, interested in everything we did and didn't want to miss out on anything! She would join Judi, my sister Lynn, and me after school every day as we listened/danced our way with American Bandstand!! And she knew all the music, dances and people!! She was vibrant, adventurous, and cared about what was happening in everyone's life...A very CLASSY lady, always fashionable - whenever we now see a stylish outfit or flashy 2-toned, HIGH heels, we say "JANE MASON!!" She never failed to make us feel welcome at her lovely home, with her down-home Southern cooking She is/was part of our Michigan/Florida family, always will be, and we loved her dearly. She will be forever young in our thoughts...thinking of you ALL up there in these difficult times...

“ Jane has always been a big sister to so many and a member of our Michigan family since the 1940's. Our most vivid memories are of watching American Bandstand together, but she was included in all our family celebrations, so there are so many more. Jane took a sincere interest in all our lives. She is irreplaceable with her dynamic personality and will be so missed and loved by all of us... especially Patti. She is one of the last symbols of that WWII great generation and all the people who went before her. Our favorite memories of Jane are from youth and to us, she will be forever young.

“ *I went to church with the Masons and knew Jane and Jack well. When I went to work in Downtown Bay City, I would visit Jane at the clothing store she worked at on my lunch hour. She was a lovely lady and will be greatly missed.*
