“ Praying for Chuck, Jason, and grandchildren. I'm so Blessed to have so many precious memories of growing up with Jan, she was more a sister to me than a cousin.

“ My husband Babu and I met Chuck and Jan in the radiation reception area and we became friends immediately . It was as if we had known each other forever. Jan always had a beautiful smile throughout the pain and Chuck always put a smile on her face. What a blessing to become friends with such a lovely couple and family.

“ Jan and I met in 1986 while working at Miller Medical Group. We didn't become friends immediately because we both loved to flirt. Lol!

She often shared her story about how she didn't like me only to end with how we ended up being lifelong best friends. Jan and Chuck introduced me to my late husband Chris. We have had many laughs, talks, tears and shenanigans that will forever live in my heart. Jan loved big and our circle of friendship here on earth has been broken as she has joined her heavenly home. Vicki, Jimmie and I will still have our lunch dates and gatherings and we will continue to love and laugh while sharing our wonderful memories of you. I miss you deeply and love you more than words can say! Thank you for being a loyal friend ❤️

“ So many years ago , Jan and Chuck were at the home of Jim and Gloria Stierwalt. Jan had Chuck digging up ferns to take back to Tennessee.

We had a lot of laughs that day.
I often wonder what happened to those ferns.
Rest in peace.
