“ Jason was a wonderful man that brought much joy. He always had a joke or a kind thing to say and was someone you could always talk to. I didn't know him as well as I would have liked to, but that doesn't minimize how much he will be missed. He will live on in our memories

“ Jason was one of the nicest, kindest persons that I ever met while living in Nashville, and I feel priveleged to have called him my friend. He was the type of man that left an impression that would stay with you for a lifetime. His presence from this world will be deeply missed.
