“ Words can not express what I am feeling. I knew nothing of your passing so I sit here now in shock and heartbroken. You were my one true love and I never closed my eyes without thinking of you and what could have been. Now you have gone home and I will find a way to process what I am feeling. Soar with the angels. I will love you forever Jay. ~ch~

“ Jay, you will most definitely be missed. We hadn't see each other in quite some time, but I've always considered you a great friend. I'll always remember Jo (Nora) & I stopping to see you on the way home from work when we were carpooling. I was looking forward to going ghost hunting with you. Race In Paradise my friend. Love, hugs, prayers & sympathy to all who will always love & remember the awesome person you are. 🥺💔
