“ *Where do I begin to express the kindness to John and Linda . Jay was my 1st friend . He was our group leader in the neighborhood . We all were deeply sorrowed when your kind home moved to Tennessee . You took me in many times for overnights, dinners, devotion, idora park, fishing, hunting,etc. God knows it , you did it for all in the neighbor hood. My parents are also deeply sorrowed with Jays passing. Thank you for opening my life to a great friendship to your wonderful son jay who I will always love. I still tell all my hunting buddies how my father and I admired your deer mounts John and the monster you put jay on in ohio. .. You have my deepest condelenses to your family from mine. God Bless*

“ We share our deepest, heartfelt sympathies with the Young family, as well as prayers for comfort and peace. Jay was gifted by God in so many ways, including his likeable personality, energy, leadership, competitiveness, abilities ranging from intellectual insight to sportsmanship, as well as kindheartedness. It was always fun to be around Jay (and listen to him talk), but I will most remember his helpfulness/ generosity, such as during 9th grade basketball season when he came over every day to bring me my homework when I had broken my hip cheerleading. I'm thankful to have known him as a neighbor and friend.

“ Jay made my childhood the most memorable childhood a kid could ask for. He was like a blood brother to me growing up and I will never forget Jay's infectious smile, laugh, and good natured qualities. You were all a second family to me growing up and I can't thank you enough. This is so difficult for me to even comprehend. I'm so thankful that I was able to reunite with Jay over the past few years. I'm so sorry for your loss. The best part of my childhood was Jay and I'm so thankful he was part of my life. His smile will be with all of us forever!
