“ *Johna and Bo, I want to express my sincere and heartfelt sympathy to you in the Homegoing of your Mother and Grandmother. It's been a long while since we were in contact, but I just wanted to assure you of my thoughts and prayers for you and your family during this time. May God grant you rest and peace, strength and comfort as you face each new day. Love, Lisa (Maria's best friend from high school; also we reunited at Grace Baptist years ago)*

“ *I had the good fortune to work with Jean for at least 25+ years. She was the rock of the the Product Engineering Dept where she kept all our Engineers in line. I remember her for her fantastic cooking. In addition she was one of the most gracious, giving, loving people I've known. Her girls kept my children every summer and they exemplified and embodied all of their Mom's wonderful character. She will be sorely missed by so many of us who knew her. May God bring you comfort and peace. Cherish your memories for they are what will get you thru the following days. You are in our prayers.*

“ I will always remember Jean's beautiful white hair. Always fixed and makeup in place. Her voice was always soft and sweet and her love for her family was evident. A loving mother in law to my brother. May the "Comforter" embrace the family. She was blessed. In Christ Always
