“ *To Jean's family,
I played cards with Jean on several occasions. She was fun to be around and always had a smile on her face and a kind word to say about everyone. I will miss her smiling face.
Sincerely,

“ *My sincere condolences to the Huffman family. May you find comfort in your loving memories, and in God's promise to soon "swallow up death forever...and wipe away the tears from all faces." (Isaiah 25;8) While grief at the loss of your Mom is great, joy at welcoming her back in the resurrection will be greater. (Mark 5;42)
With deepest sympathy,*

“ No word can express my deep regret of Jean passing away. She was a dear friend and canasta partner. I knew she was sick last week but never dreamed when I talked to her on Friday I would never get to speak with her again. I express my deepest sympathy to each of the family, most of whom I met at her 90th birthday party on the 9th. Please know I will be praying for you as you go through this terrible time.
