“ Prayers and thoughts to Jean's family. When God takes a loved one, I have always felt that he leaves a gift of special memories behind. May these special times help in the coming time ahead. Jean was a devoted Christian. She served the Lord with every day of her life. We have laughed, told each other secrets and cried together. She was never judgemental about anything, she didn't always agree with me or others but you knew she was your friend and would be there for you. I have almost said that true friendship was a gift from God. And when I think of Jean, I thank God, that her name was written in my book of life. And I will love her forever.

“ Ms. Jean was just a beautiful lady in every way. I'll always remember her caramel pies, her visits with my parents when they weren't feeling well and the way she and Wren would try to match with what they wore to church. So endearing. She will surely be missed.

“ I loved Miss Jean. After going to school with her daughter Angela and knowing Miss Jean only as the mother of one of my classmates, I got to know her better as an adult when I attended state Home Demonstration conventions with my mother Evelyn Boyd. I loved visiting with Miss Jean at Vantage Pointe Village when my mother stayed there for respite care on occasion. She always welcomed Mother warmly and was so kind to me when I saw her there, too. I will miss Miss Jean. I express my deep sympathy to the family, especially since they just lost Diddra recently. I am so very sorry for all of you. With much love, Charlene Boyd Notgrass
