“ *Jean "Granny" Pace will always live in my memory and in my heart as the perfect embodiment of light and love. She passed through this world shining both on all whom she met. I was fortunate to be one who passed through her life and benefitted from those blessings. Her love lives in me and all those who love her. Forever thankful. Sincere sympathies for all the family.*

“ Roy, I was so sorry to hear of your loss. Your mother certainly lived a full and productive life, and she impacted the lives of others. May you find comfort in your memories of her.

“ I was a seventh grader when I met Jean. She was a scout troop leader, and I was a member of the troop. My fondest memory was camping out at the girl scout camp grounds. i was one of many silly, little seventh graders who didn't have clue about what we were suppose to do. Mrs. Pace was so kind and patient with us. My best friend and I did make it through the night although I was very homesick. The next day we planted trees. That was the most memorial part of trip. Then fast forward about ten years, I placed my membership at Madison Church of Christ. Jean and Roy were members there. I never really knew if she remembered me, but I remembered her. My opinion of her grew even more. She and Roy were such fine Christians examples to everyone. Bro. North would often extol their virtues from the pulpit. I knew the way that Jean had dealt with all of us in the seventh grade was indicative of her whole life. I am so glad she was there as an early example of Christian womanhood for me.

“ Dear Ken, Nita and family,
My heart goes out to you in the loss of someone so dear.
Praying that the love and support of your friends will be felt by each of you.
Prayers that God blesses you with strength, comfort and peace as you go through this sad time.
Sending love and prayers,
Marsha Vick

“ I have many fond memories of Jean, a very devout Christian, a talented lady for sure, as one of our Green Ridge Young at Heart, and Hillcrest Prime Timers. She will be miss by all that knew her.
