“ I wanted to express my condolences to you at this time. I am very sorry for your loss. Jeanette was such a courageous and strong person and I admired her strength and faith. I was her coworker at Keystone in Albany, Kentucky and we spoke on the phone frequently and it saddens me to know that I won't get to speak with her again. Even though I only met her once I considered her was my friend and I will miss her. My prayers for you, her family, is God to give you strength and comfort in this time of sorrow.
