“ To Jeff, Yolanda, Chris and Sabina:
I am so very sorry for your loss. My heart aches for you and I do know exactly how you are feeling right now. Any time a member of the "parents who have lost a child" hears of another parent joining that club, we feel your pain exactly. It is a hard emotion to acknowledge. My advice, read some books, get medication, and give in to the tears, I think those things are necessary for you to get through the coming months.

I am so very, very sorry for your pain and loss. Jan

“ Our thoughts and prayers are with you at this difficult time. We are Brittany Rose's grandparents and had the pleasure of meeting Jeff on several occasions. He has eaten at our house more than once and went to church with us several times. He was always just a happy loving person who had the prettiest smile and hair I have ever seen. We consider it such a honor to have known him. I wish there was something we could say or do to help ease your pain. We are praying for you and your family for comfort from the Lord Jesus. With our deepest sympathy and sorry, Delmer and Nelda Hayes
