“ *I'm going to miss the sound of your voice, your dry jokes, and the way we'd laugh until we were in tears. You were the best brother I could have ever asked for. We shared so many unforgettable memories, you teaching me to drive a stick shift, singing karaoke, making silly videos and you always letting me drive one of your cool cars whenever I wanted.*

Those memories will stay with me and carry me through until the day I see you again. You are whole and you are healed your work here is done. 💔

“ Jeff was one of the kindest men I've ever known. His daughter and I are very close and he treated me as his own. He never failed to help the people he cared for. He always made everyone laugh with his jokes and silliness. He was such an amazing man and I am so grateful to have known him. He will be deeply missed.

“ Angie, Shannon and Cody,
I am so sad and heartbroken. I didn't expect my little brother to go before me. All the childhood memories when we were kids have been precious. I'm grateful we were able to share a few of those memories before he passed.
Jeff has always had a kind and gentle soul. He will be missed.
Y'all are in my prayers,
Much Love
Sheryl

As Jeff's second parents we are going to miss him very much but I am glad he isn't suffering anymore. I have such wonderful memories of him as a teenager and as he grew into a wonderful man. I was so proud to hear him call us his second parents. Love to you all
