“ Lynda, Words can't express how heartbroken I am for your loss and all your family. Lance was one of a kind. He always had something funny to say and could always put a smile on my face. I love him and all your kids so much. So many memories of them being little. We don't know why things like this happen but we have to have faith that God has his reasons. I know Lance will keep every one in heaven laughing and he will live in the hearts and memories of all the people me included that love him. My heartfelt Prayers and LOVE are with each of you.
